Goal is to maintain stable I&S rate of 17.7 cent rate but no more than 20.2 cents per policy

- With additional DS capacity due to greater than expected A/V growth in FY 2025 to maintain the DS tax rate, we can:
 - Issue more debt in 2024 since first DS payment is 2025
 - Front load DS to pay off debt sooner and keep rate up
 - Issue same amount but plan on redeeming callable debt in 2025
- Keeping Capital Dedicated at 10.8 cents means at projected growth, we will have about \$10.2 million in capital dedicated funds

TOWN OF PROSPER

Utility Fund Assumptions

- Work in Progress
- Solid Waste Fund was new in FY2023
- Rate increases from suppliers
- We are a Distribution and Collection Utility
 - 50% of total expenditures service cost from regional provider
 - Do not have firm increases from providers
- Eventual goal to issue revenue bonds
