Note: Routine inspections will be recorded as a score from 0 to 100, with 100 being the highest score. Non-compliance deductions are in 3 point, 2 point or 1 point deductions. These point values are set by the Department of State Health Services. A score is not assessed for a Certificate of Occupancy inspection (CO), since only the equipment is being inspected. Temporary Food Vendors and Mobile Food Establishments are not scored, but rather pass or fail. Pools are not scored, but rather pass or fail.
