Hydrant Flow Test Inspection Request Form

Submit completed form through CSS Portal

To be filled out by business/person applying for inspection. Please print clearly.

Name of Contractor: _____

Contractor Address: _____

City: _____ State: _____ Zip Code: _____

Contractor Phone: _____ Contractor Fax: _____

Email: _____

Name of Applicant: _____

Building Permit #: _____

Project Name: _____

Project Address: _____

A site map shall be provided to indicate which hydrant(s) you prefer to be used during the flow test. To the extent possible, test hydrants shall be as close to the anticipated fire line/riser room location as possible. A site plan, or other map, that clearly indicates the preferred hydrants, and their location on the site, shall be acceptable. Indicate a secondary hydrant to test in the event your first choice is non-operational.

INSPECTION FEES:

☐ **After-Hours Inspection - \$150.00**
(per hour one-hour minimum)

☐ **Re-inspection Fee - \$150.00**

I hereby certify that the above application is complete and correct to the best of my knowledge. The undersigned applicant certifies that the project described herein will be built in accordance with the plans and specifications submitted. All provisions of laws and ordinances governing this type of work will be complied with whether specified or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any state or local law regulating construction or performance of construction.

CANCELLATIONS

Notice of cancellations must be made 24 hours in advance or re-inspection fees will be accessed. Please note; in the event of inclement weather, underground inspections will be canceled.
